Chic Studios NYC

Chic Studios NYC is a leading makeup artistry studio providing an array of fashion-forward techniques and practices through course instruction, live webinars and the new, chicboutique online store.

why Chic Studios NYC?

Those who are currently, or have taken a Chic Studios NYC program receive the ultimate Chic treatment. Our experienced leaders and friendly staff offer a comprehensive, hands-on curriculum taught exclusively in a small studio environment. Our makeup kits consist of well known cosmetics, including MAC, Make Up For Ever, Three Custom Colors Specialist, to name a few. Upon completion of a program or workshop, our graduates become a lasting member of the Chic Studios Community – a group of professionally trained makeup artists (at various levels) with access to exclusive events, makeup discounts, career counseling and up-to-date notifications of freelance opportunities.

Chic Studios is a unique makeup artistry-learning studio in the heart of Manhattan's financial district. Unlike a cosmetology program, our 4-Week Professional program allows students to focus solely on the art and techniques of makeup artistry. During the final 14 hours of the 4-week program, students can study a specific concentration, such as TV & Music Video Makeup, Period Makeup (1920s-Present) and Fashion & Runway Makeup. Upon completion of the program, students receive a Diploma and have an opportunity to participate in a professional photo shoot to begin their portfolios. For those who take any of our workshops, they too have the ability to add the photo shoot to their professional careers, or any add-on program. Our programs and workshops can be added as an A la Carte option.

ABOUT

Founded by Director and Passionate Makeup Artist, Amy Nicole, Chic Studios NYC School of Makeup Artistry, has opened its doors in New York City in 2012 as a professional studio providing training to aspiring and established artists. Chic Studios offers a 4-Week Professional program that has been designed to teach the fundamentals and techniques of makeup artistry. Chic Studios NYC boasts an array of highly recognized instructors, several intense and comprehensive curriculums and offers lasting relationships with the Chic Studios Community.

STUDIO LOCATION

Chic Studios NYC School of Makeup Artistry is located in Lower Manhattan. A few steps from the A/C/2/3/J/Z and Metro North transit lines, we are proud to be in the center of such an inspiring area.

With access to Fashion Week, countless productions in television and film and magazine publishers abroad, NYC offers the most (and debatably best) options for artists looking to begin and enhance their careers, and Manhattan was an easy choice for an institute where makeup artists blossom.

With its landmarked building, the iconic Twin Towers (currently known as the Freedom Towers), hardly a week goes by when you are able to exit the school and walk by a high fashion photo shoot, a major movie being filmed, or network television episodes being shot within the busy streets of Manhattan.

STUDIO DETAILS

Chic Studios NYC offers a large and bright studio (Studio 1) which accommodates up to twelve students for our 4-Week Professional Makeup Artistry program.

Studio 2 houses a smaller class-size program, such as Basic Hairstyling and Airbrush Makeup & Sunless Tanning, which accommodates up to seven students per class.

We also offer an Admissions Department and Director of Education, who are dedicated to helping you throughout the enrollment process, during your program(s), and in your future, as an artist.

Next to both Studio one & Studio two, you will find our Library, filled with books, magazines and informative material.

Chic Studios NYC is handicapped-accessible. The school and the building is non-smoking.

SERVICES

Student Services

Chic Studios is committed to supporting student success. Academic advising, housing assistance, learning resources, and accommodations for students with disabilities are offered by appointment to any student who is having difficulty in the classroom.

A library is also located within Chic Studios NYC, where students can access research material associated to makeup artistry and the field of art as inspiration. As research is the foundation of learning any technique, it is encouraged that students spend time browsing and educating themselves on the industry and professional artists within it. Wireless access is also available within the studio, as well as a laptop with printing options, which may be used on a sign-in basis.

Career Services

The Career Services at Chic Studios NYC - School of Makeup Artistry is in place to provide students and alumni of Chic Studio's professional programs with opportunities and education to plan, promote, and prepare their careers once they begin their ventures into the beauty industry. Chic Studios NYC is proud to have contacts with many employers and clients to bring a variety of internships, freelance opportunities, and job placement assistance to our qualified applicant pool.

Upon completion of any of our diploma programs, you become part of our Chic Community, which is a platform for events, freelance gigs, advanced education opportunities, internships, or hiring fairs. The Career Services department has an open door policy, to allow for feedback on career questions, which is welcomed upon program completion.

Please note that Chic Studios NYC cannot guarantee employment upon graduation of any of our programs, however we will provide placement assistance in the direction of makeup you wish to pursue. Our graduates will enjoy careers in fields such as: cosmetic retailing, bridal, freelance special event, television/music video/film makeup industries, and fashion shows, among others.

Chic Studios NYC selected 10 artists every year through a casting process to provide an avenue for potential work within the makeup industry, through the Chic Pro Team. Please inquire regarding auditions.

SCHOOL POLICIES

CONDUCT CODE

At Chic Studios NYC, our goal is to prepare students to become professional artists who maintain respect for those they work with in the studio and in the future, as well as etiquette with products and people. This ensures the best route to a successful career. If a student is being disruptive or distracting during a course, they may be asked to leave the classroom, and will be marked off for a half-day class. All students must apply by the following policies while in the studio and taking a program at Chic Studios NYC:

There is no dress code, however we suggest that you be mindful of your perception in the Beauty Industry, and you should be well groomed. If you are representing Chic Studios NYC during an event, you will be informed of the dress code if one is required.

As we are in a learning environment that enhances the education of all students, please note that you will be required to sit in for makeup rotations. The term "rotation" refers to one student sitting in as "model" while the other student acts as the "artist." Then, the team switches roles. This will ensure all students participate in equal practice time. If there is an uneven amount of students in a class, then Chic Studios NYC will do our best to provide a practice model, but one student may be asked to work on him or herself in the mirror.

Students are asked and expected to keep all areas in the studio tidy and clean, as this is a reflection of your working environment. Garbage should be thrown out each day, counters wiped down, mirrors cleaned, and kits closed and ready for following day. Also, all tools being used on each other or models must be sanitary at all times and cleaned after use.

Please be cautious and aware of studio products when used during your rotations, and that they are returned to their proper place prior to leaving the studio that day. Note that Chic Studios NYC may perform random makeup kit checks. No food is allowed in the classrooms, however beverages with closed caps are permissible.

Chic Studios NYC is proud of our "Open Door Policy;" if there is ever a need to speak with someone regarding a class issue or clarification, please feel free to see our Studio Director.

ATTENDANCE POLICY

Chic Studios NYC students are expected to take class days and hours seriously. Please note that any time after 10:35a.m. or 6:05p.m. is considered late and attendance will be marked as such. Requirements for course completion (thus graduation) are partly based on attendance, so it is imperative that students arrive to class on time and refrain from absences. Tardiness also applies to returning late from lunches or breaks, so keeping up on time is encouraged and expected.

If an unavoidable absence occurs, it is the student's responsibility to contact the studio and let them know amount of time needed for absence. In order to successfully complete the program, students must complete a minimum of 90% of scheduled course hours. Students in the 4 Week Professional Program who has missed more than ten percent of scheduled course hours must meet with the School Director.

Students in the 4 Week Professional Program who have missed class time may attend a makeup session on the third Friday of each session. For specific dates and times please contact the School Director. The cost for each makeup class per hour is \$25.00 with a minimum of two hours. Students must provide their own models for makeup sessions.

A student who is excessively late or absent may be placed on probation or be required to repeat a unit, or a Leave of Absence may be requested.

SCHOOL POLICIES

LEAVE OF ABSENCE

Chic Studios recognizes that emergencies occur that may require a student to temporarily leave the school. We recommend that students consider the decision to interrupt their studies carefully. Students must apply to the School Director for a leave of absence for a period of up to 60 days. A leave of absence may be granted to students in the 4 Week Professional Program for several reasons:

Personal: A personal or family tragedy, serious emergency, or other special circumstances that make attendance impossible or impractical.

Medical: Emergency or planned medical treatment for self or a family member. In the case of personal medical treatment, a physician's note must be provided to the school. A leave of absence can be granted for a period of up to 180 days in such cases, as determined by the School Director.

Military (reserve or active duty): A copy of the student's military orders must be provided. A leave of absence will result in a grade of "I" or Incomplete.

PROCEDURE FOR REQUESTING A LEAVE OF ABSENCE:

A student seeking a leave of absence must submit a signed letter to the School Director specifying the reason for the request and the dates for which the leave is requested. The School Director will evaluate the request and notify the student if the leave of absence has been granted.

Leaving and failing to place a written request for a leave of absence will result in a student being withdrawn from the program after a period of 7 calendar days from the student's last date of attendance. Any student who is granted a leave of absence and fails to return will be considered withdrawn as of the first day of his or her leave of absence.

RETURNING TO CHIC AFTER A LEAVE OF ABSENCE:

While a leave of absence is over upon the student's return to class, all repeated content counts as leave of absence time towards the 60-day maximum time frame. Students will be placed on probation upon returning to school. Students will be placed in the instructional program at the point commensurate with their skill level retained at the time of return from leave. Students on a leave of absence for 30 days or longer will be required to take an exam to determine placement upon return to the program. The class schedule will be based upon the student's request to return and space availability. If there is no space in the schedule requested, a student may be offered alternative schedule options or may have to wait until space is available in the desired schedule. In that case, the leave of absence will be continued until the student is able start the new schedule. However, in no case will the leave be continued for more than 60 days. If the student is not able to join a class within 60 days the student will be withdrawn from the program.

Students will not be required to make tuition payments while on an approved leave of absence. Students are advised to meet with the School Director to determine when the next payment will be due. Students will not be subject to additional tuition if they return to the same class schedule they attended prior to their leave of absence. In some cases, students cannot return to the same class schedule due to lack of available space in that schedule. In those cases, students will not be subject to additional tuition if they return to the schedule suggested by the school. Students may be subject to tuition changes if they request a schedule change. Leaves of absence are granted for good reason shown and in accordance with such limitations as may from time to time be prescribed by the New York State Education Department. A student on an approved leave of absence is considered as having "in school" status.

SCHOOL POLICIES

SCHEDULE CHANGES

Many times a student finds that the original schedule, under which he/she enrolled, is no longer practical or desirable. In certain cases it may be possible to change schedules with written approval from the School Director. A different schedule of the same program may have a different refund policy. If the school changes the student's schedule, the refund policy of the new schedule will be that which is in effect for the student. If a new schedule is approved, an enrollment agreement for the new schedule must be completed in full and attached to the original enrollment agreement.

PROBATION

Conduct: A student who violates the code of conduct above or otherwise exhibits a poor or disruptive attitude (such as ignoring a directive or placing individual concerns above the group) may be placed on probation, and/or required to repeat a unit.

SATISFACTORY ACADEMIC PROGRESS (SAP):

A student enrolled in the 4 Week Professional Program at Chic Studios is expected to maintain satisfactory academic progress (SAP). A student must maintain a minimum cumulative grade of 80% and attend 90% of scheduled class hours. A student's satisfactory academic progress will be evaluated at the midpoint and at the end of the program. At the time of the midpoint evaluation, the student must have a minimum cumulative grade of 80% and have completed 80% of the student's scheduled clock hours. Students who have achieved less than 90% of scheduled hours must have makeup sessions scheduled at the time of the midpoint evaluation. At the final evaluation all students must have a minimum cumulative grade of 80% and have completed 90% of scheduled class hours.

GRADING POLICY & PROGRAM COMPLETION

Students in the 4-Week Professional Program receive written exams and practical evaluations during the course of the program. Students are required to maintain a grade of 80% or better in order to complete the program. Students failing to achieve grades of 80 or better may be placed on probation. Students must have an average of 80% by the midpoint of the program in order to maintain Satisfactory Academic Progress.

Chic Studios NYC uses the following grading scale for the 4-Week Professional Program. An 80% or higher is required to graduate.

CANCELLATION, WITHDRAWAL AND REFUND POLICIES

Read and understand Chic Studios' policy regarding tuition refunds and cancellations on these pages before you sign an enrollment agreement. If you do not understand it or are confused by the School's explanation, get assistance before you sign. You may ask for help from the New York State Education Department, 116 West 32nd Street, 5th Floor, New York, NY 10001, 212-643-4760.

The failure of a student to immediately notify the School Director in writing of the student's intent to withdraw may delay a refund of tuition to the student pursuant to section 5002(3) of the Education law.

The tuition refund policy is based on the number of weeks of the course. The refund policy applicable to a given program of study is based upon the number of weeks of instruction in the program. For purposes of the School's refund policy, a week of instruction consists of between 2 and 30 clock hours of instruction within seven consecutive days.

Refunds for programs that are six weeks or less are calculated on a "Mini" refund policy. No grouping of courses can exceed six weeks in duration.

A student who cancels within seven (7) days of signing the enrollment agreement but before instruction begins will receive the return of all amounts paid with the exception of the non-refundable Application Fee. Due to their personal nature, makeup kits are not returnable.

Thereafter, the student will be liable for:

- The non-refundable Application Fee, plus
- The cost of insurance fee and materials accepted and not returned in good condition within 20 days after the student withdrawal from the school, plus
- Tuition liability as of the student's last day of physical attendance. Tuition liability is determined by the percentage of the program offered to the student determined as follows:

If **termination** occurs:

0-15%	of the Program	School may keep	0%
16-30%	of the Program	School may keep	25%
31-45%	of the Program	School may keep	50%
46-60%	of the Program	School may keep	75%
After 60%	of the Program	School may keep	100%

[continued termination]

- If the School rejects this agreement, all payments made under this agreement shall be refunded in full except the application fee and the cost of materials accepted and not returned in good condition within 20 days of rejection.
- In case of injury, prolonged illness or other circumstances beyond the student's control which render it impracticable for the student to continue in the school, the school will, within 30 days after notice of the circumstances, propose and will thereafter make a settlement of the student's obligation to the school which is fair and reasonable to the student and the school.
- The student refund may be more than stated above if an applicable accrediting agency policy results in a greater refund.
- Amounts paid in excess of the charges as determined above would be refunded within 45 days of the date on which the student gives the school written notice of withdrawal or if the student does not give written notice, within 45 days of the date that the school determines that the Student has withdrawn.

WITHDRAWAL

A student may be withdrawn for failure to meet the terms of probation, violation of the Code of Conduct, unexcused absence, academic failure as described herein, or failure to fulfill tuition payments or other financial obligations. A student's financial obligations are as provided in the executed Enrollment Agreement. Chic Studios reserves the rights to, at its discretion, withdraw any student whose continued enrollment, in the judgment of the School, is not in the best interest of either the student or Chic Studios.

Departing School Students wishing to withdraw from a program at Chic Studios must:

- Place the request in writing stating the reason(s) necessitating departure.
- Schedule an exit interview.

Any refund or payment due will be calculated and paid within 45 days of the date of determination of the student's withdrawal. The failure of a student to immediately notify the School Director in writing of the student's intent to withdraw may delay a refund of tuition to the student pursuant to section 5002(3) of the Education law.

RE-ENTRY

Any student who has been withdrawn from the 4 Week Professional Program may apply for re-entry at a later date. To request re-entry, a student must:

- Discuss with the School Director.
- Place the request in writing stating the reason(s) necessitating departure from the program and the justification for completion of the program without further interruption.
- Receive approval from the School Director. The School Director, in her discretion, may impose additional requirements in order to help ensure the student's success upon re-entry.
- Students must take a placement test. Chic Studios will then review the results of the skills test and written exam to determine the point at which the student should be required to return to the program.
- Sign a new enrollment agreement. Tuition will be assessed on a pro-rated basis.

Disciplinary Procedures and Hearings

Upon request, detailed procedural guidelines are available for review in the Office of the School Director.

Informal Resolution Attempt

A good-faith attempt will be made to resolve all problems informally, initially by the appropriate administrator or faculty member. This may include informal discussions with the alleged violator and faculty members, deans, or administrators. If the matter is not resolved by an informal resolution attempt, the alleged violator shall be requested to designate whether he/she wishes to have the charge determined by a formal hearing pursuant to Chic Studios procedures for a disciplinary hearing. Upon such designation in writing, a formal hearing will be set within 5 school/business days.

Releasing Disciplinary Information

Details relating to any disciplinary proceedings, the decision, and the names of individuals involved will not be made available except as required for internal School purposes as required by law, or when charges are made, or proceedings instituted by or against Chic Studios or any member of the School community in courts of law or by governmental agencies.

Grievance

Chic Studios views students as responsible citizens who are integral members of the School community. Policies and practices pertaining to student relations and services should reflect this point of view. School officers continue to seek to ensure that this philosophy is implemented. Even with this philosophy in place, complaints and misunderstandings may arise. It is the purpose of these grievance procedures to ensure that any problem is dealt with promptly and confidentially.

Informal Review

- Discuss the problem informally, with the student, faculty member, dean, or staff member involved.
- A student should not consider a formal review unless an informal review has occurred.

Formal Review

- Obtain, complete, and return a student grievance form to the School Director within 7 days of the incident.
- Upon receipt of the form, a prompt investigation of the facts related to the nature of the grievance will be conducted.

After thoughtful consideration, a decision will be made.

- The student will be advised of the decision and resulting action to be taken within five school days.
- If, for any reason, the student is not satisfied with the results of the investigation conducted, the student may ask the School Director to submit the matter to the President for review.
- The student will be advised of the decision and resulting action to be taken within ten school days.

EMERGENCIES AND EVACUATION PROCEDURE

Chic Studios NYC is serious about the safety of our studio and students. It is an instructor's responsibility to ensure that all students are aware of the emergency exit maps. Maps are also posted on the wall of every room in the studio. In case of emergency, a staff member will ensure that students take an orderly and safe route to exit the building. The first staff member to leave the building ensures that everyone is out of the studio and emergency personnel is contacted. Until emergency personnel has granted safe reentry, no student or staff member can reenter the studio.

NYSED DISCLOSURE

Schools are required to give this disclosure pamphlet to individuals interested in enrolling in their school.

What You Should Know about Licensed Private Schools and Registered Business Schools in New York State.

What is the purpose of this pamphlet?

All prospective and enrolled students in a non-degree granting proprietary school are required to receive this pamphlet. This pamphlet provides an overview of students' rights with regard to filing a complaint against a school and accessing the tuition reimbursement fund if they are a victim of certain violations by the school.

Trade schools, which are licensed by the New York State Education Department and business schools, which are registered by this Department, are required to meet very specific standards under the Education Law and Commissioner's Regulations. These standards are designed to help insure the educational appropriateness of the programs, which schools offer. It is important for you to realize that the New York State Education Department's Bureau of Proprietary School Supervision closely monitors and regulates all non-degree granting proprietary schools.

The schools are required to have their teachers meet standards in order to be licensed by the Department. Schools are also required to have their curriculum approved by the New York State Education Department every three years, thereby helping to insure that all curriculum offered in the schools are educationally sound. In addition, staff members of the Bureau of Proprietary School Supervision are often in the school buildings monitoring the educational programs being offered. The interest of the New York State Education Department is to insure that the educational program being offered meets your needs and that your financial investment is protected.

The New York State Education Department's Bureau of Proprietary School Supervision wishes you success in your continued efforts to obtain the necessary skill training in order to secure meaningful employment. In addition, Bureau staff will continue to work with all the schools to help insure that a quality educational program is provided to you.

Who can file a complaint?

If you are or were a student or an employee of a Licensed Private or Registered Business School in the State of New York and you believe that the school or anyone representing the school has acted unlawfully, you have the right to file a complaint with the New York State Education Department.

What can a student or employee complain about?

You may make complaints about the conduct of the school, advertising, standards and methods of instruction, equipment, facilities, qualifications of teaching and management personnel, enrollment agreement, methods of collecting tuition and other charges, school license or registration, school and student records, and private school agents.

How can a student or employee file a complaint?

You should try to resolve your complaint directly with the school unless you believe that the school would penalize you for your complaint. Use the school's internal grievance procedure or discuss your problems with teachers, department heads, or the school director. We suggest that you do so in writing and that you keep copies of all correspondence to the school. However, the school cannot require you to do this before you file a complaint with the New York State Education Department. If you do file a complaint with the Department, please advise the Bureau of any action that you have taken to attempt to resolve your complaint.

The steps you must take to file a complaint with the New York State Education Department are:

Write to the
New York State Education Department
116 West 32nd Street (5th Floor)
New York, New York 10001

Or telephone the Department at (212) 643-4760, requesting an interview for the purpose of filing a written complaint. Bring all relevant documents with you to the interview, including an enrollment agreement, financial aid application, transcripts, etc. An investigator from the Department will meet with you and go through your complaint in detail.

If you cannot come for an interview, send a letter or call the office to request a complaint form. You must complete and sign this form and mail it to the office. Please include with it copies of all relevant documents. You should keep the originals. You must file a complaint within two years after the alleged illegal conduct took place. The Bureau cannot investigate any complaint made more than two years after the date of the occurrence.

The investigator will attempt to resolve the complaint as quickly as possible and may contact you in the future with follow-up questions. You should provide all information requested as quickly as possible; delay may affect the investigation of your complaint. When appropriate, the investigator will try to negotiate with the school informally. If the Department determines that violations of law have been committed and the school fails to take satisfactory and appropriate action then the Department may proceed with formal disciplinary charges.

What is the Tuition Reimbursement Fund?

The Tuition Reimbursement Fund is designed to protect the financial interest of students attending proprietary schools. If a school closes while you are in attendance, prior to the completion of your educational program, then you may be eligible for a refund of all tuition expenses, which you have paid. If you drop out of school prior to completion and you file a complaint against the school with the State Education Department, you may be eligible to receive a tuition refund if the State Education Department is able to provide factual support that your complaint is valid and to determine that there was a violation of Education Law or the Commissioner's Regulations as specified in Section 126.17 of the Commissioner's Regulations. To file a claim to the Tuition Reimbursement Fund, you must first file a complaint with the State Education Department at the address included in this pamphlet. The staff of the State Education Department will assist you in the preparation of a tuition reimbursement form (a sample of this form should have been provided to you upon enrollment).

What should students know about "private school agents?"

Private School Agents are employed by schools for the purpose of recruiting or enrolling students in the school; they are not school counselors. Private school agents cannot require a student to pay a placement or referral fee. Each school agent must be licensed by the New York State Education Department, must have an Agent identification card and must be a salaried employee of the school. School agents who cannot show an Agent Identification Card are breaking the law if they try to interest students in enrolling in a particular school or group of schools. The name(s) of the agent(s) who enrolled a student must appear on that student's enrollment agreement. Therefore, you should write down the name of the agent who talked to you. Each student will be required to confirm the name(s) of the agent(s) when signing the enrollment agreement. A full refund shall be made to any student recruited by an unlicensed private school agent or even by a licensed agent if there is evidence that the agent made fraudulent or improper claims. To find out if you are eligible to receive a refund, you must follow the complaint procedures included in this page.

What should students know about "grants and guaranteed student loans"?

A grant is awarded to a student based on income eligibility, and it does not need to be repaid (for example, New York State Tuition Assistance Program (TAP) grants or Pell grants provided by the federal government). Guaranteed student loans are low interest loans provided under the Federal Guaranteed Student Loan Program. The decision to apply for such a loan is yours-- the school cannot require that you apply for a loan. You should understand that if you pay school tuition with money loaned to you from a lender you are responsible for repaying the loan in full, with interest, in accordance with the terms of the loan agreement. A failure to repay the loan can hurt your credit rating and result in legal action against you. Even if you fail to complete your educational program, you are still responsible for repaying all of the money loaned to you. It is your right to select a lender for a guaranteed student loan. The school cannot require you to apply to a particular lender or lending institution. However, the school can recommend a lender, but if it does, the school must also provide you with a statement about your right and ability to obtain a loan from another lender and the insurance premiums charged on these loans. Read and understand all the information and applications for financial aid grants and loans before signing.

What is the tuition refund and cancellation policy?

All schools must have a tuition refund and cancellation policy for each program included in the catalog and in the student enrollment agreement. Read and understand the school's policy regarding tuition refund and cancellation before you sign the enrollment agreement. If you do not understand it, or are confused by the school's explanation, get help before you sign. You may ask for assistance from the Department at the address included in this pamphlet.

Where can students file a complaint, file a claim to the tuition reimbursement fund, or get additional information?
